AFFIDAVIT OF COMPLIANCE

I/We the undersigned homeowner(s) of record understand and agree that Baytree Villas was developed and is intended to remain an **ADULT COMMUNITY** with facilities and programs designed for residents age 55 and older. I/We agree that no action will be taken which might nullify or adversely affect the community's adult status. I/We agree to impose these same conditions and agreement on any and all successors, transferees or assignees in title and any current or future tenants (Board approval required).

Baytree Villas was developed and sold as a community to the Fair Housing Act (H.R. 1158) and subsequent revisions, commonly called "55 Plus" or "Adult Communities".

This Federal law makes it illegal for a community to discriminate against families with children unless some very specific guidelines are followed.

The Federal guidelines established for maintaining Baytree Villas as an **ADULT COMMUNITY** requires certain information be compiled and periodically updated. **To that end, Homeowners are requested to supply copies of reliable documentation, if needed, of all ages of all Residents and to sign this affidavit certifying the supplied information is accurate. Said documentation may be Birth Certificate, Drivers License, Passport, Immigration Card, Military I.D. or any other comparable International, National, State or Local Official Document containing a birth date.**

In order that the guidelines may be followed to establish and maintain the development as an all-adult community in which one permanent resident must be 55 years of age or older and additional residents must be 40 years of age or older, the following information and agreement must be completed by each resident.
